Teenagers French classes

We provide classes for teenagers from 1st year to 6th year, including preparation for Junior and Leaving Cert.

For the preparation to the exams, we will work on both oral and written skills, complementing their schoolwork preparation.

We will focus on the main main elements of the written paper, helping students to develop their listening and reading comprehension skills.

We will also focus on the oral exam and build their confidence and fluency in the different topics they are likely to encounter.

The course includes a one-to-one mock oral exam.

The maximum number of students per class is 8. This allows each student to get individual attention and classes tailored to their needs. They will also feel more confident to speak French and ask any questions they could have.

We offer French classes for **children aged from 4 to 11 years-old**, with no or very little knowledge of French.

French will be introduced through varied and stimulating activities, such as songs, art and crafts, role-plays, mimes, board games, or even baking!

While vocabulary is important, we also aim to give children the communicative skills that will enable them to express themselves in French.

The maximum number of children per class is 8, which allows each child to receive plenty of personal attention.

About me

My name is Caroline, and I am a native French speaker, from Paris. I am a fully qualified and experienced French teacher, with a real passion for teaching and languages.

MY QUALIFICATIONS

In 2012, I completed a Master's Degree in Teaching French as a Foreign Language, from the Université de la Sorbonne Nouvelle. I have studied pedagogy, early foreign language teaching, didactics and phonetics.

MY EXPERIENCE

Since I started teaching in 2010, I have taught students aged from 4 years old to 60 years old, from all over the world, in Ireland and in France. I have been teaching in primary schools, secondary schools and language schools. I have also been giving one-to-ones classes and prepared students for their Junior Cert and Leaving Cert. I am therefore very familiar with these exams curricula and the difficulties students can have.

My students have described me as positive, motivated, imaginative, fun, dynamic... But above all, I am passionate about my job, and will love sharing my language and culture with you at Rendez-vous français.
