# Adult French classes

We provide classes for adults of all levels: from complete beginners who wish to learn French to use on their holiday, improvers who would like to get back to French and improve their skills, to intermediate who would like to brush up their French, practise and learn even more!

## Beginners (A1)

A complete introduction to the French language for students who have no knowledge of French at all or who are going back to study French after a number of years

## Improvers (A2.1)

For those with a good basic knowledge of French who wish to improve their communication skills.

## Intermediate (A2.2)

For those who have a good knowledge of French and aim at becoming more fluent in the language.

## Advanced (B1+)

For those who have a sound knowledge of French, can converse in the language, and wish to refine their skills.

# Teenagers French classes

We provide classes for teenagers from 1st year to 6th year, including preparation for Junior and Leaving Cert.

As the orals will have taken place already, we will focus during this term on listening and written skills, complementing their schoolwork preparation.

We will work on the main elements of the written paper, helping students to develop their listening and reading comprehension skills.

We will also work on grammar, structures and developing vocabulary on the key topics in order to get the students best prepared for their written productions.

The maximum number of students per class is 8. This allows each student to get individual attention and classes tailored to their needs. They will also feel more confident to speak French and ask any questions they could have.

We offer French classes for **children aged from 4 to 11 years-old**, with no or very little knowledge of French.

French will be introduced through varied and stimulating activities, such as songs, art and crafts, role-plays, mimes, board games, or even baking!

While vocabulary is important, we also aim to give children the communicative skills that will enable them to express themselves in French.

The maximum number of children per class is 8, which allows each child to receive plenty of personal attention.

Children can join our groups at anytime, even though there are complete beginners in French.

My name is Caroline, and I am a native French speaker, from Paris. I am a fully qualified and experienced French teacher, with a real passion for teaching and languages.

#### **MY QUALIFICATIONS**

In 2012, I completed a Master's Degree in Teaching French as a Foreign Language, from the Université de la Sorbonne Nouvelle. I have studied pedagogy, early foreign language teaching, didactics and phonetics.

#### **MY EXPERIENCE**

Since I started teaching in 2010, I have taught students aged from 4 years old to 70 years old, from all over the world, in Ireland and in France. I have been teaching in primary schools, secondary schools and language schools. I have also been giving one-to-ones classes and prepared students for their Junior Cert and Leaving Cert. I am therefore very familiar with these exams curricula and the difficulties students can have.

My students have described me as positive, motivated, imaginative, fun, dynamic... But above all, I am passionate about my job, and will love sharing my language and culture with you at Rendez-vous français.
